

What DVR's can be used with Videoswitch keyboards

Applies to: VDC/VDM, Vi-Series, M-series DVR's

What DVR can I use with your keyboards?

- ♦The Vk-1 and Vk-2 keyboards work with the VDC/VDM DVR's.
- ♦The Vi-K1, Vi-K2 and Vi-K3 keyboards work with the Vi-Series DVR.
- ♦The Vi-K1, Vi-K2 and Vi-K3 keyboards work with the M-Series DVR.

Keyboard information

- ♦The Vk-1 and Vi-K1 do not have built in telemetry but do give the operator full control of the DVR.
- ♦The Vk-2, Vi-K2 and Vi-K3 all have built-in telemetry for controlling fully functional domes directly.
- ♦The Vk-2, Vi-K2 and Vi-K3 can also control domes via a Videoswitch DVR and also give full control of a Videoswitch DVR.
